SCHOOL BOARD VACANCY QUESTIONNAIRE

Please indicate why you would like to serve on the Enumclaw School District Board of Directors and identify any similar experiences, background information, talents or strengths you think you would bring to the Board. (The answer to this question may be submitted to local papers for publication.)

Please list any community activities, memberships and accomplishments which would complement your candidacy:

Please indicate any involvement in schools or with education issues that you may have had:

How would you go about finding out what parents and patrons are thinking?

Board members generally spend a minimum of 20-40 hours per month involved in board meetings, committee meetings, attending various school functions, as well as personal growth and preparation related to their school board service. Please tell us if you foresee any personal, business or other civic responsibilities that could interfere with that minimal level of commitment.

I, _____, declare the information I have provided and the content of my answers to be a true and accurate presentation of myself.
