

## INSTRUCTION

### Instructional Program Offerings

The school district shall identify and offer courses with content designed to ensure that schools make available to students:

- A. courses designed to develop the specific academic and technical skills and knowledge essential to meeting the instructional requirements for the State of Washington;
- B. the graduation requirements as adopted by the Legislature, State Board of Education and the Board of Directors;
- C. the minimum college entrance requirements as established by the state and regional universities and colleges; and
- D. necessary skills and attitudes to be successful in the world of work.
