

## PERSONNEL

### Student Teachers and Internships

The board encourages cooperation with colleges and universities within the state in the training of student teachers and interns. The district may accept student teachers and interns from accredited institutions of higher learning.

The teacher training institution shall be expected to provide liaison personnel who shall work cooperatively through the training process with the principal and the supervising teacher.

The superintendent, or his/her designee, shall coordinate the request for placement with building principals in order that excessive concentrations of student teachers and interns in any given building shall be avoided. Student teachers and interns shall comply with the policy of the district as it applies to certificated staff. The supervising teacher and the principal shall be responsible for the conduct of the student teacher.
