

2015-2016 School Profile & Performance Report

Enumclaw High School

Welcome to Enumclaw High School! As a school, our mission is to ensure that each student is prepared for success in postsecondary education, work and citizenship for the 21st century. Our staff is committed to focusing on student learning and the continuous improvement of our instructional program. We strive to create a culture that values and encourages open and honest communication. We promote personal responsibility and risk taking as we strive to help every individual grow to his or her greatest potential.

The 2016 -2017 school year is off to a great start. And what an incredible time to be an EHS Hornet! Students will be part of some exciting changes over the course of the next two years. These changes will be evident both inside and outside of the classroom.

Inside the classroom students will see an increase in learning that will require them to think deeply, collaborate with others and apply new learning. Much of this will be done online with access to the world of Google through our 1:1 student device initiative. Our teachers have been participating in professional development that will assist us in utilizing these resources to increase student achievement and to prepare our students with skills essential for success beyond high school.

Outside the class students will also see some amazing changes. Thanks to our wonderful community of voters who approved a school bond, EHS is undergoing major construction for the next two years. By January of 2018, students will have new or remodeled classroom spaces, a new library and a renovated gym. We are so grateful for the improved learning environment for our students.

We believe the success of every student is dependent on a strong partnership and collaboration from our families and our community. We thank you for your continued support and we look forward working with you this school year.

ACCREDITATION

Enumclaw High School is accredited by the Northwest Association of Schools and Colleges and meets all requirements and standards established by the State of Washington.

ATTENDANCE

89.2% Daily Attendance Rate

Missing 10% of school days, just 18 days each year, can put students at risk of academic failure. Visit AttendanceWorks.org to learn more about chronic absenteeism.

LEARNING SPACES AND FEATURES

Our student commons gives students direct access to our Counseling Center, Career and Technical Education Office, Health room, Main Office, Athletic and Activity Office, Bookkeeper, student store, student run coffee stand, and our Nutritional Service Department.

A great amount of change is coming to the campus of Enumclaw High School over the next three years. Each freshmen and sophomore will be issued a Chromebook this school year, and juniors and seniors will receive theirs in the 2017-18 school year. Our campus is also in the first phase of a major remodel and new construction of the main instructional buildings. We currently have seven classroom buildings, ten portable classrooms, a gym complex, auditorium, library, student commons and extensive Career and Technical Education labs and shop spaces.

Enumclaw High School offers more than 35 co-curricular activities. Through these activities and clubs, students have the opportunity to develop friendships, expand skills and talents, pursue interests, and/or provide service to both school and community. Every student is encouraged to become involved in at least one of these activities during the school year.

TEST SCORE INFORMATION

Percentage of students achieving proficiency (including those who previously passed) at Enumclaw High School is compared to Washington State and Enumclaw School District cohorts in the chart to the left. For two years the Smarter Balanced Assessments (SBA) were administered in Washington state; not all tests are currently a graduation requirement. Achievement in science is measured by the End of Course (EOC) exam in 10th grade Biology. Individual student achievement reports with Spring 2016 results were mailed to families in September 2016.

COLLEGE CREDIT OPPORTUNITIES

Green River Community College Cohort Program

Qualified juniors and seniors can receive both a high school diploma and up to 60 college credits at Green River Community College's local branch campus in Enumclaw.

Advanced Studies Program

The Advanced Placement (AP) program exposes high school students to college-level curricula and examinations. Students earning a 3 on AP exams typically earn college credit, placement, or a waiver of required courses at many colleges.

Running Start

Eleventh and 12th grade students may apply to enroll in courses or programs in a community or technical college tuition free. Both high school and college credits may be obtained. Evidence of successful completion of each course in a community or technical college will be included in the student's high school records and transcripts.

FEEDBACK

We welcome your open and honest feedback. Feedback is accepted face-to-face, written, or electronically. Please send written and electronic information to the school building's main office or to the District office. We also offer a variety of committees that parents and citizens can participate in.

ADEQUATE YEARLY PROGRESS INFORMATION

The Enumclaw School District receives Title I, Part A funds and is in Step 2 of Improvement. Information about AYP steps is available online at www.enumclaw.wednet.edu > Teaching & Learning > Special Programs > Title I/LAP and at www.k12.wa.us/TitleI/.

DISTRICT REPORT CARD

The Enumclaw School District Report Card provides parents, educators, policymakers, researchers and other stakeholders with information about K-12 public schools. It includes demographic information about students at the school, district and state levels, and data about student achievement on statewide assessments. It also provides information about teachers, administrators, and other school staff. View the information online at <http://reportcard.ospi.k12.wa.us/>. If a printed copy is needed, please contact Rossi Ensign at (360) 802-7109.

Printed September 2016. Data is from 2015-2016 school year unless otherwise noted.
