

2016-2017 School Profile & Performance Report

Enumclaw High School

Few places in this world are more special than Enumclaw High School. Not only do we have the distinct honor and privilege of helping incredible young people strive towards growth and excellence in our care, but we are able to do so with 120 outstanding and dedicated staff members who value community, building relationships and academic excellence. Each world-class team of teachers, paraprofessionals, secretaries, custodians and administrators has a clear unified focus on dedicating themselves to the success of each and every student. Teams of Enumclaw High School staff members work tirelessly in a collaborative, supportive and flexible environment to continuously focus our efforts on positive student growth to ensure that each student has a future of their choosing.

We believe that you - parents, families, and community members - are our best and most vital partner as we rely on your intimate and life-long experience to team with us to educate and prepare our community's youth for the challenges and excitement of today's world and that of the future as well. As partners in education with you, we believe it is our calling to maximize the potential of each Enumclaw High School student and provide the level of support, kindness and love that will help them to thrive and grow. We hope you know and understand that our doors are open and we are ready to develop and/or nurture our educational alliance moving forward. Like hornets, our strength stems from our work together and we thrive when we work collaboratively as a community. As the physical plant of Enumclaw High School undergoes its metamorphosis through our major remodel, it slowly reveals the greatness that we impart to our students each and every day.

ATTENDANCE

88% Daily Attendance Rate

Missing 10% of school days, just 18 days each year, can put students at risk of academic failure. Visit AttendanceWorks.org to learn more about chronic absenteeism.

LEARNING SPACES AND FEATURES

Our student commons gives students direct access to our Counseling Center, Career and Technical Education Office, Health room, Main Office, Athletic and Activity Office, Bookkeeper, student store, student run coffee stand, and our Nutritional Service Department.

During the 2017-18 school year, all students will be issued an internet connected device to access online learning. Our campus is also undergoing a major remodel and new construction of the main instructional buildings. We currently have seven classroom buildings, 19 portable classrooms, a gym complex, auditorium, library, student commons and extensive Career and Technical Education labs and shop spaces.

Enumclaw High School offers more than 35 co-curricular activities open to all students. Through these activities and clubs, students have the opportunity to develop friendships, expand skills and talents, pursue interests, and/or provide service to school and community. Every student is encouraged to become involved in at least one of these activities during the school year.

TEST SCORE INFORMATION

Percentage of students achieving proficiency (including those who previously passed) at Enumclaw High School is compared to Washington State and Enumclaw School District cohorts in the chart to the left. For three years the Smarter Balanced Assessments (SBA) were administered in Washington state; not all tests are currently a graduation requirement. Achievement in science is measured by the End of Course (EOC) exam in 10th grade Biology. Individual student achievement reports with Spring 2017 results were mailed to families at the beginning of the 2017-2018 school year.

COLLEGE CREDIT OPPORTUNITIES

Green River Community College Cohort Program

Qualified juniors and seniors can receive both a high school diploma and up to 60 college credits at Green River Community College's local branch campus in Enumclaw.

Advanced Studies Program

The Advanced Placement (AP) program exposes high school students to college-level curricula and examinations. Students earning a 3 on AP exams typically earn college credit, placement, or a waiver of required courses at many colleges.

Running Start

Eleventh and 12th grade students may apply to enroll in courses or programs in a community or technical college tuition free. Both high school and college credits may be obtained. Evidence of successful completion of each course in a community or technical college will be included in the student's high school records and transcripts.
