

Link Crew is a student-led program that facilitates the transition of incoming Freshmen at Enumclaw High School. The program has been adopted by approximately 3,000 high schools in 44 states and is credited with positive effects such as significant reductions in student absenteeism and discipline referrals. The Enumclaw School District is excited about the positive impact Link Crew will make among all the efforts to make Enumclaw High School an absolutely fantastic place to commune, learn, and grow.
