

Welcome Back!

Did you know the High School has a PTSO? We have a small membership of parents, teachers, and students who meet once a month to discuss important topics that affect our high school student and their families.

We would love for it to grow. Please consider joining us. The cost to be a member is \$10 for an individual and \$20 for a family. Forms can be found in the main office.

One way we have made a difference is have implementing a "Parents Helping Parents" series. The goal is to bring parents together to talk about topics that are teenagers are facing today. This could be anything from, How to get through Senior Year, to Social Media, to Drug abuse.

We hope you can find time to join us this year. Our meetings will be held the second Wednesday of each month at 6:30pm in the main conference room by the front office.

Come and share your ideas with us. The common goal is to work together with teachers and administrators to provide the best learning environment for our students.

Thank you,

Kim Sales
